Background

About this grant opportunity

This grant relates to Australia Day 2027.

The National Australia Day Council (NADC) Community Events Grant Program supports communities across Australia to host inclusive Australia Day events promoting the theme: *'Reflect. Respect. Celebrate.'*

This grant opportunity is made possible through the National Australia Day Council, with assistance from the Australian Government. Local, state and territory government entities and Australian not-for-profit organisations are eligible to apply.

With a total funding pool of **\$4.5 million (GST exclusive)**, the Program aims to deliver impactful, engaging, and memorable Australia Day events nationwide.

Funding Streams

For Australia Day 2027, the Program makes three funding streams available:

- **Base Grant: \$10,000 (GST exclusive)** to assist eligible event organisers to ensure inclusive Australia Day 2027 events proceed.
- **Base + Additional Grant: \$10,000 + \$5,000 (GST exclusive)** for events that include *significant* Aboriginal and/or Torres Strait Islander elements.
- **Alternate Grant: \$2,000 (GST exclusive)** to support community-focused Australia Day events. This stream is limited to eligible applications subject to the availability of funds within the Program's overall funding cap.

Applicants may submit one application only, choosing either:

- 1.the Base Grant, **or**
- 2.the Base Grant + Additional Grant, **or**
- 3.the Alternate Grant.

Assessment and Payment

- *Base and Additional Grants* are **merit-based**. Applications are scored against the assessment criteria. Successful applicants receive 80 per cent on execution of the funding agreement and 20 per cent after the final acquittal report (due 30 April 2027).
- *Alternate Grant* applications are **not merit-based**. Grants are awarded in timestamp order following round closure and confirmation of eligibility, subject to the availability of funds within the Program's overall funding cap. Successful applicants receive the full \$2,000 upfront.

Where an applicant is not approved for the level of funding sought, the NADC may, in its discretion, offer an alternative level of funding, subject to eligibility, funding availability and the objectives of the Program.

Branding and Collateral Requirements

To maintain consistency across events and effectively promote the message of *'Reflect. Respect. Celebrate.'*, each successful applicant will receive a complimentary package of Australia Day collateral materials. Successful applicants will be required to use NADC Australia Day branding and collateral materials. This may include new materials or existing items purchased from previous Australia Day projects. Recipients will also be able to purchase these items online through the [Australia Day Council Aussie Merchandise program](#).
